

## **KLW Plastics Announces Donna Friesner Retirement**

Monroe, OH – October 31, 2013

For Immediate Release

It is with mixed emotions that I am announcing the retirement of our Customer Service Manager, Donna Friesner. Her retirement will take effect December 31, 2013.

Donna has been at KLW since the production of our first container 8 years ago and has been an instrumental leader in the ongoing success of KLW Plastics. Prior to joining the KLW Team, Donna had spent twenty two years in customer service/inside sales leadership positions in the plastic container industry. Donna's passion and dedication to her profession, the customers she served, colleagues and the companies she worked for created an unparalleled value proposition for everyone involved.

In a recent conversation with Donna about her 30 year career, she used the words joy, pleasure and privilege to describe relationships with her colleagues and customers.

Although we will miss Donna, she most certainly has earned the opportunity to enjoy more time with her family and grandchildren. Please join me in wishing Donna all the best in her retirement.
